

TALK TO OUR EXPERTS AT FESPA IN BERLIN 31.5. - 3.6.22, HALL 2.2 | STAND D30

Dear ladies and gentlemen, dear friends of Folex,

finally FESPA again! Meeting business friends and partners in person, exchanging ideas and learning new things, that generates joy. The Folex Group, too, can't wait to see you and present the news.

We invite you to discuss with our specialists on stand no. D30, hall 2.2.

The high quality, wide range of media for use with large format inkjet printers, is manufactured in Europe. The coatings are suitable for all common inkjet printing technologies, including latex, solvent, aqueous and UV inks.

Our HIGHLIGHTS at this year's FESPA are:

- two new "PVC-free" economy roll-up films
- a brand new, innovative special self-adhesive range, and
- a new high-performance film for screen printing transfers

In addition, the full portfolio of sign and display films, including backlit, roll-up and pop-up films, as well as adhesive films and canvas materials will be on display at the show.

Please come along as it would be great to see you and we will be pleased to discuss any special project, requirements or new ideas you may have. We would also welcome a fixed meeting time if you so wished.

The Folex trade fair team is looking forward to seeing you!

ABOUT FOLEX

The Folex group specialises in the finishing and coating of films and specialities and has production companies based in Switzerland (Schwyz) and Germany (Cologne and Erlangen) that offer high-quality products and tailor made services for a wide variety of markets. Today Folex offers solutions for many sectors, from the printing industry or digital and large format printing, the office and home sector, all the way to primary products for the electronics industry.
